

**CanSkate** is Skate Canada's flagship learn-to-skate program, designed for beginners of all ages. When you sign up for CanSkate you will be in a program that focuses on fun, participation and basic skill development. You will earn badges and other incentives as you learn fundamental skating skills. Lessons are given in a group format and led by an NCCP certified professional coach. Professional coaches are assisted by trained Program Assistants. The coach to student ratio is a maximum of 1:10. Skaters progress at their own rate and coaches make sessions active using teaching aids, music and a wide variety of activities that create a fun environment and promote learning. CanSkate is the feeder program to all other Skate Canada Skating Programs.

CanSkate is Canada's only national learn-to-skate program. It was developed by experts to teach the fundamentals of skating in a progressive and sequential manner.

When you/your child register for a CanSkate program at the Oshawa Skating Club, you also become a member of Skate Canada, the national sport governing body for figure skating in Canada.

Skate Canada is dedicated to providing Canadians the opportunity to participate in skating throughout their lifetime for fun, fitness and achievement.

Oshawa Skating Club (group)

The Oshawa Skating club is a non-profit organization, sanctioned by Skate Canada, which is dedicated to providing opportunities for all skaters to participate in skating for fun, fitness and/or achievement.

The club has been operating since 1938 offering a variety of programs including: CanSkate, STARSkate, Competitive Skate, Adult Synchro and Special Blades for Special Needs.

We are fortunate to have an excellent professional NCCP certified and award winning coaching staff dedicated to teaching skaters in a nurturing environment where skills training is broken down into progressive, achievable levels that encourage skater development. Names, contact information and resumes of our coaching staff can be viewed at [www.oshawaskating.com/coaches.html](http://www.oshawaskating.com/coaches.html).

Our club has been chosen by Skate Canada to continue running one of its new CanSkate program pilots. This program is coordinated by one of Skate Canada's 2010 Best of the Best CanSkate Coaches.

The success of the club is due in part to the dedication of volunteers who donate their time to the sport of skating and to the judges, officials and coaches who also volunteer many hours at our club.

The Oshawa Skating Club operates out of the UOIT/Durham College Campus Ice Arena on the northwest corner of Simcoe Street and Conlin Road. We also operate out of the Oshawa Legends Centre on Harmony Rd. North of Taunton Rd.

**Special Events:** check out the website's Calendar of Events and monthly newsletters to keep up-to-date with the club's many skating and non-skating events happening throughout the season. Non-skating days due to test days will be confirmed on the website.

**On-line Registration** for all of our programs will be available on our website at [www.oshawaskating.com/registration.html](http://www.oshawaskating.com/registration.html), or at the Durham College/UOIT Campus Ice Centre on August 28, 2011 from 6:00-8:30 pm.

### FIGURE SKATING PROGRAMS

The Oshawa Skating Club also offers STARSkate and Competitive Skate programs. Please visit our website to view the schedules and descriptions of these programs at [www.oshawaskating.com](http://www.oshawaskating.com).
